

Academic Policy Appeal

This form is used to appeal an academic policy for the reasons listed below. It is important to remember that students are responsible for meeting deadlines, following policies, and for their financial obligations. Sometimes, extenuating circumstances allow for exceptions. If you submit an Academic Policy Appeal, it is your responsibility to provide documentation and justification for consideration by the Academic Policies Committee. Carefully read and follow all the information that is set forth in this form.

You can submit an Academic Policy Appeal for the following reasons:

1. Extend drop deadline (with no W grade)
 - If selecting this option, you must indicate the last day you attended class.
 - If selecting this option, you should remain in the class until you are notified of the committee's decision.
2. Extend withdrawal deadline (with a W grade)
 - If selecting this option, you should remain in the class until you are notified of the committee's decision.
3. Extend course audit deadline
4. Extend pass/no pass deadline

If it is determined you cannot successfully pass the course that relates to your appeal, you should consult with your faculty advisor or an advisor in the Advising & Peer Mentorship Office for further guidance.

If needed, the Advising & Peer Mentorship Office (Library, 2nd floor, 401-254-3456, advising@rwu.edu) can serve as a resource in preparing your appeal.
