RWU Almeida Apartment Complex

Roger Williams University's Almeida Apartment complex is located in a quiet neighborhood setting just minutes from the University campus and a short walk from one of the most charming New England towns you are likely to find anywhere. Bristol's quiet atmosphere can be seen as you walk through downtown or spend time in Colt State Park. Bristol is conveniently

located 15 minutes from picturesque Newport R.I. where tourist attractions and beaches welcome you.

Almeida Apartments consists of a series of units called the Flats and Townhouses. Graduate students will be able to choose from either a space in a shared two-bedroom townhouse or a single apartment in the flats.

Each furnished apartment has a living room, kitchen, dining area, bathroom and bedroom (two-bedrooms in townhouse). Each bedroom is furnished with a twin extra long bed and plenty of closet space. All apartments are carpeted with the exception of the townhouse bedrooms which have hardwood floors. The townhouses are two story apartments with individual entrances. Located on the 1st floor is the approximate 330 square foot kitchen, dining area, living room, and 1/2 bath. On the 2nd floor are both bedrooms (165 and 115 square feet respectfully), full bathroom, and linen closet.

Almeida Apartments offers convenient parking and access to the University shuttle system. Almeida residents enjoy air conditioned apartments, full utilities, internet to RWU network and cable television. Laundry facilities are available on site. Residents will enjoy the beautiful grounds for outdoor recreation.
