Important Information regarding your VA Payment:

- The VA will only pay for courses that apply to a student's certificate of degree program.
- The RWU Certifying Official cannot certify students for courses that are not part of their program. This means the Tuition and Fees will not be paid for that course (under CH 33) AND the student's monthly stipend will be reduced (under all VA Education benefits);
- Certificate of Eligibility (COE) – RWU requires a COE be submitted to the Office of the Registrar. COE is the letter you receive form the VA indicating your entitlement to VA benefits.
- The VA benefits will only cover tuition and mandatory fees. All housing costs, meal plans, or other expenses are the responsibility of the student.
- Based on 38 U.S. Code 3679 (e) individuals using Ch. 31, 33, or 35 are protected from holds/late fees due to delayed payments from the VA for 90 days from the date of certification. After this time, provided the VA as paid the benefits, RWU is able to place holds and assess late fees to any student account with delinquent balances.
