CERTIFICATIONS

Licensed Mental Health Counselor for the State of Rhode Island (LMHC)
Approved Clinical Supervisor (ACS) through the National Board of Certified Counselors
Rhode Island Certified "Qualified Mental Health Professional" (QMHP)
Electroencephalography Didactic Training with Neurofeedback certification from Southern Vermont LLC

RESEARCH EXPERIENCE

I am an experienced researcher and am well versed in research design including quantitative and qualitative methods. I have been a researcher on multiple research projects, including several studies where I have been the first or sole author. My work has been published in peer-reviewed journals and presented at professional conferences. I have diverse research interests and am interested in all areas of interpersonal violence, positive psychology, counseling psychology, education, and forensic psychology.

ADMINISTRATIVE EXPERIENCE

January 2017- August 2023 *Member* of the Higher Education Suicide Prevention Advisory Group

Responsibilities include: Serve as a board member for the Rhode Island's Department of Health's Higher Education Suicide Prevention Advisory Board. Represented the Community College of Rhode Island on the multi-institution board, assisting with coordinating services and resources for college students in the state of Rhode Island. Conducted and hosted meetings on CCRI's campus. Facilitated networking and collaboration between the nine higher education institutions in the State.

June 2018- February 2019 *Member* of the Planning Group for the State of Rhode Island's Summit on Serving the Mental Health Needs of Postsecondary Students

Responsibilities include: Served as an advisory member for Governor Gina Raimondo's State Summit on Serving the Mental Health Needs of Postsecondary Students. Part of the advisory board to develop the summit schedule and connect institutions of higher education with the Department of Health's agenda for the summit. Connected CCRI student speakers with the planning committee for their participation as speakers at the summit. Summit occurred January 7, 2019.

August 2022 – Present *Graduate Practicum Placement Coordinator* for Roger Williams University.

Responsibilities include: Practicum placement coordinator for the Forensic Mental Health Clinician Graduate program at Roger Williams University. Assisted with connected graduate students with clinical forensic placements in Rhode Island and Massachusetts, including placements at psychiatric hospitals, prisons, and law enforcement agencies. Tracked student through practicum and internship experiences and provided evaluations for assigned clinical faculty. Developed and maintained relationships with practicum sites. Ran education sessions on clinical practice and licensure for graduate students, and served as a graduate advisor for practicum utilization.

August 2022 – December 2023 *Committee Member* for Rhode Island College's General Education Revision Task Force

Responsibilities include: Task force member for revision of Rhode Island College's general education requirements to be deployed in 2024-2025 academic year. Member of a multi-disciplinary task force with different stakeholders to develop new general education requirements for the college's curriculum, improving transfer from community colleges and increasing student retention.

September 2022 – August 2023 *Member* for Community College of Rhode Island NECHE accreditation self-evaluation Team

Responsibilities include: Task force member for the Community College of Rhode Island's self-evaluation for institutional accreditation from the New England Commission of Higher Education. Team member for the review of student success departments of Advising and Counseling, and review of adjunct faculty tasks and staff. Served as part of writing team creating chapter drafts for final report regarding these topics.

CLINICAL EXPERIENCE

August 2013- August 2023 *Student Development Counselor* for the Community College of Rhode Island

Responsibilities include: Serve as a Student Development Counselor for the Advising and Counseling Department. Academic and career counseling for students attending the Community College of Rhode Island. Aided students in scheduling of classes, academic planning, educating students about utilizing college resources, applying for disability services and financial aid. Monitored for and responded to mental health/ safety concerns with students, performed crisis intervention and short-term psychotherapy. Project leader on clinical data collection research project for the Counseling Center across multiple campuses.

Job Specific Trainings: "Title IX compliance", "Campus Risk Assessment", "Removing Suicidal Students from Campus: The Significance of Recent Changes in Federal Policy", "Active Shooter: What you can do", "Heal Your Heart After Grief", "Suicide and Self-Destructive Behaviors", "Ethics: Current Issues and Practical Responses", "Certification Course for Clinical Supervisors", "LGBTQ Clients: Clinical Issues and Treatment Strategies", "Rewire your anxious brain",

“Ethical Challenges in Practice: Rhode Island Law”, “Suicide Intervention”. QPR Gatekeeper, SBHP Veteran training Tier 1 & 2.

Professional Committee Membership: Community College of Rhode Island Student Life Board
Rhode Island Higher Education Suicide Prevention Advisory Group
Rhode Island Higher Education Summit on Mental Health Planning Group
Council on Post-Secondary Education Task Force on Postsecondary Student Mental Health Needs

January 2009-August 2014 *Staff Clinician* with Behavioral Medicine and Health Associates.

Responsibilities included: Conducting psychotherapy groups for clients in sex offender treatment program. Saw clients on probation for group and individual therapy. Trained in DBT models of therapy, ABLE sex offender screening programs and sex offender risk assessments. Conducted offender risk assessments for probation and public defender’s office.

Job Specific Training: “Comprehensive Risk Assessment with Adolescents Who Have Offended Sexually”, “The Sex Offender Treatment Intervention and Progress Scale (SOTIPS): Research Updates and Applications”, “Understanding and Using Juvenile Sexual Risk Assessment Instruments: A Practical Guide”,

January 2012-August 2013 *Residential Clinician* for Communities for People

Responsibilities included: providing clinical therapy to adolescents in state custody group home placement. Provided outreach therapy to youth in placement. Worked as clinical advisor to a team of social service providers including case managers, group home house managers, academic program directors and DCYF case workers managing clients’ cases. Conducted clinical assessments and created individual treatment plans for clients. Attended numerous clinical trainings to improve quality of services to clients, including training in topics of trauma informed therapy, sexual behavior issues, and culturally sensitive therapy. Served as an on-call emergency clinician.

Job Specific Training: “Trauma Informed Therapy”, “Youth Who Sexually Offend”, “Psychopharmacology: What You Need To Know About Psychiatric Medications”, “Designer Drugs”, “When Trauma Spawns Trauma: Supporting Family Members and Intimates of Traumatized Persons”, “On Grief and Grieving”

October 2010-August 2013 *Clinician/ Psychometrician* at Sakonnet Psychological Services

Responsibilities included: Individual psychotherapy, and conducted neuropsychological battery assessments on additional clients. These assessments include extensive testing on levels of functioning, intelligence, mood disorder, attention, neurological functioning, motor functions, personality, learning, and language as well as diagnoses of mental illness. Clinical work with clients, seeing a wide range of mental health disorders. Trained in use trans-cranial magnetic stimulation machines and neuro-feedback technology, regularly using photon neuro-feedback with clients. Conducted psychological assessments for Department of Children, Youth and Families in Rhode Island.

January 2011- January 2012 *Emergency Services Clinician* with Gateway Healthcare at Rhode Island Hospital.

Responsibilities included: Conducted psychiatric assessments in the Rhode Island Hospital Emergency Room. These evaluations were conducted on patients that were psychiatric risks, such as patients with suicidality or psychosis. During these evaluations, assessed a patient's risk and made recommendations to attending psychiatrists for admission or discharge services. This evaluation, under supervision of Emergency Room psychiatrists, often concluded with involuntary certification to a state hospital. Coordinated services with patient's insurance companies including, but not limited to, obtaining pre-authorization for inpatient care. Received state certification as a Qualified Mental Health Professional.

Job Specific Training: Assessment of Suicidality and Safety Risk.

June 2009- August 2010 *Forensic Clinician* at South Bay Mental Health

Responsibilities included: Member of the multi-disciplinary Forensic Team. Managed a case load of over 40 clients with a wide range of mental health disorders, with several severe cases of psychosis and mood disorders. Conducted anger management groups as well as DBT Skills groups. Utilized multiple methods of psychotherapy in my work including,

DBT, CBT, non-directive, art, and play therapies. Worked very closely with the Massachusetts Department of Corrections for cases with clients on probation and parole. Worked closely with the Department of Children and Families in Massachusetts; as a clinical mentor for at risk youth.

Job Specific Training: Dialectical Behavioral Therapy and the Borderline Personality

CLINICAL SUPERVISORY EXPERIENCE

I have served as a peer supervisor for other mental health counselors in multiple positions. I have trained non-clinical support staff on clinical matters and conducted case consultation. I have served as a clinical supervisor for graduate students at their practicum sites.

I am certified as an Approved Clinical Supervisor with the National Board of Clinical Counselors, through the Center for Credentialing and Education. This is a national certification as a clinical supervisor. The State of Rhode Island does not offer a clinical supervisor certification for Licensed Mental Health Counselor in the state, but acknowledges the ACS certification for approval of licensure hours.

PSYCHOMETRIC EXPERIENCE

I have worked as a psychometrician throughout my clinical experience with neuropsychological test batteries. I have experience administering and interpreting many different psychological tests. I also have experience with risk assessment of sexual recidivism, suicidal ideation, and interpersonal violence.

VOLUNTEER AND INTERNSHIP EXPERIENCE

January 2008-January 2011 *Victim Advocate* for Day One

Responsibilities included: Victim support advocate for victims of domestic and sexual violence. On-call advocate for victims of domestic violence and sexual assault. Primary duty was responding to local emergency rooms to meet with victims and give emotional support during medical examinations as well as on-site interviews with police. Gave additional supportive information to victims, setting up appointments for outreach therapy and coordinated emergency shelter placements.

January 2005-June 2005 *Intern* for Victim Services Team at RI Attorney General

Responsibilities included: Intern for the Victim Services Team for the Attorney General of the State of Rhode Island. Met with victims and provided emotional support to witnesses prior to appearance in court. Attended court proceedings for numerous cases. Assisted prosecutors with preparing court documents. Worked front desk answering questions and directing people to court rooms.

September 2022- Present *Volunteer* on School Improvement Committee

Responsibilities included: community volunteer for the School Improvement Committee for Park Elementary in Warwick Rhode Island. Provided community insight and feedback in regards to district policies and initiatives. Offered recommendations for implementation of district plans and unique school programs.
